## **Ready Mix Driver**

### **SUMMARY**

Drives truck equipped with auxiliary concrete mixer to deliver concrete mix to job sites by performing the following duties;

### **ESSENTIAL DUTIES AND RESPONSIBILITIES**

- Comply with all Department of Transportation requirements including but not limited to licensing, vehicle inspection, and hours of service.
- Inspects the truck as required at the start of each workday, completing the Driver Check-off Sheet which indicates that all systems are functioning properly.
- Backs truck under batching or loading hopper to receive concrete.
- Climbs the ladder, approximately 10-12 feet, on the mixer truck to view the load of concrete for consistency and amount, to inspect the drum for cleanliness.
- Adjusts the trailer axle pressure depending on the weight of the load.
- Drives truck to location for unloading in a safe manner.
- Follows written and verbal instructions to include city street maps and has the ability to complete necessary paperwork.
- Maneuvers the truck up to deliver concrete to the point of delivery.
- Assembles concrete chute(s) weighing 35-50 pounds each.
- Moves hand and foot control and understands and follows hand signals while operating the truck.
- Cleans truck after loading and after delivery to prevent concrete from hardening in mixer and on truck.
- Reads, understands and complies with the Safety Manual and Employee Manual.
- Understands that attendance and punctuality are required each day of work.
